

Keep your Medi-Cal coverage!

You must renew Medi-Cal this year to keep your health care coverage. This helps you see your doctor and get your medications.

1

If you've moved, update your contact information.

Make sure your county enrollment agency has your correct address and phone number.

2

Know your renewal date and watch your mail.

Look for your Medi-Cal renewal letter with steps you may need to take to renew.

3

If required, complete the renewal paperwork and send it back fast.

If you wait too long, your health care coverage could stop and you may not be able to see your doctor or get your medications.

If you forget to return your renewal by the due date, don't worry. You may still get your coverage back if you send your packet in quickly.

The Alliance is your Medi-Cal health plan. If you need help, we're here.
